

# RESPONSIBLE INVESTING

We advocate

We form part of an international collaborative group that signed a 'just transition' statement to support the workforce in our transition to a resilient and low-carbon economy.

We are part of a Steinhoff Shareholder Group that works together in a number of legal actions against Steinhoff International Holdings NV.

We form part of the Investment Consultants' Sustainability Working Group, focused on applying the UK Stewardship and UNPRI principles when advising pension fund trustees.
